

Maintenance service availability status for our discontinued products

The products listed here only include those that the maintenance service availability is scheduled to be terminated and that the maintenance service availability was terminated in the past five years.

Note:

"A" -All spare parts currently available

"B" -Certain spare parts no longer available

"C" -All spare parts unavailable

" - " -Service maintenance discontinued

28 Aug 2017

Model names	Product names	Point of product's discontinuation	Final month service maintenance is available	Spare parts availability
C-500	FLUXGATE HEADING SENSOR	Jun-2015	May-2020	C
CI-35	DOPPLER SONAR CURRENT INDICATOR	May-2011	Apr-2018	B
CI-35H	DOPPLER SONAR CURRENT INDICATOR	May-2009	Apr-2016	-
